Comments

AT18606

- Gel-shampoo soap
- Creamy gel for skin and hair wash. Gentle and delicate perfume.
- It contains protective and emollient agents, plus specific additives for extra skin and hair softness.

AT18706

- Aloe gel soap.
- Soft gel enriched with moisturising and softening agents.
- Its perfume provides an immediate sensation of freshness to the hands.

AT19006

- It stands out for its great formation of foam, and its creamy and soft texture for the hands. It cares for, cleans, protects and softens the skin.
- Fresh and durable perfume. It contains moisturising and softening agents.

AT19806

- Odourless and colourless foam soap.
- It can be used as much as wanted, since it contains emollient agents for the skin. It cares for, cleans, protects and softens the skin.
- Triclosan-free formula. Antiseptic for a healthy skin.
- Especially suitable for the hospitality sector.
