Versatile protection and moisturizing
Cream for professionals

**SILICONE
FREE**

MOISTURIZING

**NON
GREASY**

TECHNICAL INFORMATION

Description

**Directions
for use**

Ingredients

Fragrance-free and colorant-free. Protects against aqueous and solvent solutions. Enriched with aloe vera and vitamin B5, it aids in healing, moisturizes, smooths, and softens the skin of hands, arms and face. Versatile, it is suitable for a variety of tasks. It provides long-lasting protection and does not impair tactile sensitivity. This non-greasy cream is quickly absorbed by the skin.

Apply a small amount of cream on the palm of your hand, gently massage from the inside outwards the area where it is applied until absorbed.

Aqua, Cetearyl alcohol, Isopropyl palmitate, glycerin, Lanolin, Polysorbat 60, Sorbitan stearate, Caprylyl glycol, Phenoxyethanol, Panthenol, Sodium citrate, Aloe barbadensis leaf juice, Sodium benzoate.
